

# Carols by Candlelight

The institution that is Carols by Candlelight continues this year and, once again, we are pleased to provide a live coverage of this national event.

Nine Radio Syndication's coverage is an OB (not a simulcast), allowing us the flexibility to tailor the broadcast for a radio audience; and, also allowing for a standard radio format including ad breaks and hourly news bulletins.

We'll be interviewing the stars and crossing live to the stage as everyone's favourite Carols are being sung by an outstanding cast. Carols by Candlelight is perfect Christmas Eve programming.
